V. ADJOURNMENT

Commission Volunteers

Since last week, an additional opening has occurred on the Election Commission so now Council is looking for two Volunteers to fill the open positions.

If you have some spare time in order to help out, please consider filling out a Volunteer form and dropping it off at Town Hall with the Town Clerk. If you have any questions regarding the duties of the Election Commission, please contact any member of Council or the Town Clerk, Tanya Payne. All contact information can be found on the Town's website at: [Town Staff Contact Info](#) or [Council Contact Info](#)

If the Election Commission does not interest you, please fill out a Volunteer form anyway and submit it. Vacancies occur on many of the Commissions during the course of the year and Council will fill those vacancies based on Volunteer requests on file.

Please consider this request to volunteer because civic involvement is imperative to the success, growth and well-being of the Town of Port Royal. Council and Staff cannot do this alone - we need your help! This is your Town.

Working Waterfront Forum

If you have the time to attend please do so and have your voice heard regarding Working Waterfronts and in particular how and what role Port Royal and its Shrimp Docks play. We have the only Public Dock in the State of South Carolina.

Save the Date

Monday, January 30, 2017 5:00pm-7:00pm

Clemson Extension Office 102 Industrial Village Rd, Beaufort SC

Working Waterfront Community Forum

The S.C. Sea Grant Consortium, Clemson University, and College of Charleston are engaging stakeholders to explore how to maintain traditional working waterfront uses while protecting and enhancing them in the face of population growth and changing weather and tidal impacts.

The purpose of this forum is to bring together a diverse group of working waterfront-related stakeholders who will learn about recent research projects that identify waterfront needs. Attendees will discuss the challenges and opportunities facing South Carolina working waterfronts now and in the future.

Forum attendees will be invited to participate in a facilitated discussion to prioritize issues that should be addressed in order to maintain and enhance South Carolina working waterfronts. This discussion will also focus on identifying resources to help address these issues – including tools, collaborations, partnerships, and funding opportunities.

Old Village Litter Pickup and Breakfast

This Saturday is the first of the month so that means it is time for the Village People to come out and help cleanup the streets! All are welcome and encouraged to help with the effort. It's only an hour of your time and the end result always helps to make Port Royal a little bit better.

Please meet in front of St. Marks Center, 1660 Paris Ave at 8:30am to pickup your supplies and be assigned to an area.

This month, after the pickup, Kat Bray has invited anyone who has helped pickup trash during the past year to come to her house for the annual volunteer brunch. Here's her invite:

Annual 'Village People' Brunch

Feb. 4th. Immediately following trash pickup

Anyone who has joined us for pickup over the past year is invited to our annual brunch. We will meet for pickup at 8:30 on Feb. 4th and brunch will follow:

Charlie and Kat Bray

806 11th Street

Please **RSVP** if you will be joining us as I need to have a headcount. Thanks,

kat bray
