Recycle Guidelines for Port Royal

All Recycling **MUST BE LOOSE** in the Recycle Container. If you take your Recycling out in a large, kitchen, white plastic bag, it must be emptied into the recycling container. Any white bags filled with recycling will not be recycled but instead taken to the landfill.

The Following Items are Recyclable:

- Plastic: Only #1 & #2 (mark found on the bottom in a small diamond)

- Cardboard: All cardboard (if it's clean) Pizza boxes with grease on the lid and mixed in with other cardboard will cancel the recycling of that load.
- Glass: All RINSED glass, no caps or lids
- Aluminum: All RINSED aluminum
- Paper: All magazines, newspapers, flyers, etc.
- Absolutely No Styrofoam (Grocery stores and Recycle Centers will accept)

Only items in the designated container will be picked up...nothing on the side or loose (No Plastic Bags in Containers).

Our many County Recycle Centers will accept many other items...Paint, Plastic Film, Oils, etc. They also hold periodic recycle dates for shredding and electronics.
