## Upcoming Events

You might expect a band that calls itself Yarn to, naturally, tend to spin a yarn or two. “that’s what we do, we tell stories, live and in the studio, truth and fiction” singer/songwriter Blake Christiana insists. “We don’t always opt for consistency. There’s a different vibe onstage from what comes through in our recordings. There’s a difference in every show as well, you never know what you’re going to get.”
