Yard debris or bulky items:

Pick up questions or problems or to schedule a day for pick up of bulky items contact the Town at 843-986-2211.

Town of Port Royal
700 Paris Avenue
Port Royal, SC 29935

ADDITIONAL IMPORTANT INFORMATION for TOWN OF PORT ROYAL SANITATION SERVICES CHANGES

Starting the week of September 23, 2013 your Recycling will be picked up once every two weeks. Your Solid Waste will continue to be picked up weekly.

Your existing **green** roll cart will be relabeled and converted to a **Single Source Recycle Roll Cart** between September 23, 2013 and September 28, 2013. You will be provided with a new Waste Pro Solid Waste Roll Cart.

IF YOU HAVE MORE THAN ONE EXISTING GREEN TOWN OF PORT ROYAL ROLL CART, ONLY ONE WILL BE CONVERTED TO A RECYCLE ROLL CART. PLEASE ONLY PLACE ONE RECYCLING AND ONE SOLID WASTE ROLL CART OUT FOR COLLECTION AT A TIME.

NEW YARD DEBRIS RECYCLING PROGRAM

Starting on September 30, 2013, the Town of Port Royal will require that all yard debris be separated so that yard debris can begin to be locally recycled into mulch. Yard debris should be placed into two separate piles:

Pile #1 - Leaves, grass clippings and bush trimmings (*bagging is encouraged, but is not required*)

Pile #2 - Branches no longer than 4 feet and no thicker than 4 inches in diameter

No other yard debris will be collected, but must be properly disposed of.

Separated yard debris will be disposed of and **recycled into mulch locally**. This change will reduce the distance the Town's debris hauling trucks drive **by 40,000 miles per year**. This **saves money and fuel**, reduces emissions and saves valuable landfill space.

Do not mix yard debris.

DISPOSAL OF CONSTRUCTION DEBRIS

Construction debris will no longer be collected street side. However, Port Royal residents may request for the Public Works Department to place a box truck at their residence for disposal of construction debris from home renovations that they may self-perform. This service is not available to contractors. Contact the Town at 843-986-2211 to apply for this service.

Construction debris will not be collected street side.

DISPOSAL OF LARGE ITEMS

The Town will continue to collect appliances, furniture and mattresses only on an as needed basis. No other large items will be collected. Collection will be every Wednesday. You will need to call the Town at 843-986-2211 by Tuesday at 12 p.m. to schedule the pickup of large items on Wednesday.

If you have extra green roll carts that you are no longer in need of please contact the Town of Port Royal at 843-986-2211 and the Town will come collect any extra carts.

OLD RECYCLE BINS

The Red or Green Recycle Bins that you may have are yours to use for other purposes. You may wish to use these to collect recyclables in other areas in and around your home or business and then transfer them to your Recycle Roll Cart. If you do not wish to keep these old containers please leave them curb side on Wednesday, October 2, 2013, and they will be picked up and recycled.
